Dear Foundation Members:

Ryan Neaveill
Minister of Music

It is my privilege to highly recommend to you Ryan Neaveill for a NRMWA Scholarship. I have known Ryan off and on for over 20 years. I knew Ryan as his pastor when he was a high school student and most recently as our Director of Music. Ryan is an exceptional musician, choir director, pianist, guitarist, singer and composer/arranger. He has a keen intellect and knowledge of music. He is well acquainted with a variety of music forms and styles.

Organist

Chris Schubert
Minister of Family,
Youth and Children

Ryan has high ethical and moral character. He has a deep personal faith in Jesus Christ. He has all the gifts and graces to pursue a long and successful full time ministry in church music. A scholarship would not only benefit him but indirectly countless numbers whom he will be serving in ministry.
